

BROTHERS

from DIFFERENT MOTHERS

Technical Rider (page 1)

The Brothers can adapt their act to fit the needs of the performance space as long as the details are discussed beforehand.

Space Needs

- Minimum of 12' deep by 16' wide stage or raised performance space, ideally bigger. (a modified version of the show can be performed in an 8' x 12' space)
- 12' high or greater ceilings (a modified version of the show can be performed with 9' ceilings)
- If the stage is more than 2 ft high stairs to stage need to be provided for audience participation parts of the show.
- Stairs should be easily accessible from the audience and if possible placed at the front of the stage

Light Needs

- House lights dimmed or out with stage lighting only
- Back lights on stage
- If stage lighting is not available the Brothers will need as much light on stage as possible

Sound Needs

- The Brothers have their own microphones that they will patch into the house P.A.
- Four XLR inputs
- The person introducing the Brothers will need their own microphone.
- A technician to adjust levels and monitor sound throughout the show
- The Brothers may be able to provide their own sound system if needed

Seating arrangements

- All chairs need to be facing the stage before Showtime
- Please provide space to maneuver throughout the audience for quick access to stage from the audience
- The audience must be no farther than 5 ft from the stage, the closer the better

Showtime

- The Brothers will not perform during dinner and it is best to wait until after dessert has been served.
- Please instruct the wait staff to only be serving drinks and not clearing tables or walking in front of the audience.
- If events follow Brothers' performance on stage, The Brothers will need a space to put their stuff out of sight directly following the performance

Backstage Needs

- A Space to warm up and change with mirrors, chairs and a bathroom that has quick access to stage

Misc.

- Two round-trip airfares from Seattle, WA (Sea-Tac)
- Two non-smoking hotel rooms
- Private ground transportation from the airport to the hotel and venue. The car must be large enough for our equipment
- Six Bottles of water for performance
- Coffee before performance (we're from Seattle)
- Two medium sized onions

- Any customized material, scripts, specialized props, names of important people within the company etc. need to be provided at least one week prior to the performance.

Introduction

Note: Please make sure the stage is clear of any podiums or things that might interfere with the Brother's performance before you begin the introduction.

Note: Please refrain from touching the Brothers' equipment.

Note: If the audience is sitting in circular seats please have them turn their chairs and attentions towards the stage.
PLEASE DO THIS BEFORE THE INTRODUCTION!

Introduction

I am really excited about tonight's/today's entertainment. They were voted Seattle's Funniest Comedy Team, are two time Guinness World Record holders and were featured on the television show America's Got Talent. They have performed for presidential candidates and also overseas for our troops. Ladies and Gentlemen please give a loud round of applause for two very funny men, the **BROTHERS FROM DIFFERENT MOTHERS.**
